Before investing please:
Consider the investment objectives, risks, charges and expenses of the fund or annuity and its investment options. Contact Actinver for a free prospectus and, if available, summary prospectus containing this information. Read it carefully.

1. All data based on holdings as of May 29, 2026. Due to the rounding of decimals involves an approximation, totals may not add up to 100%.
2. The chart reflects a hypothetical \$1,000 USD investment (management and local taxes deducted, assumes reinvestment of dividends, coupons and/or capital gains calculated) calculated as of May 29, 2026.
3. Fixed Income Funds' annualized returns in USD (management and local taxes deducted according to the share class) as of May 29, 2026.
Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than the original cost.
Past performance and does not guarantee future results. Performance could be positive or negative.
The Funds are regulated by Comisión Nacional Bancaria y de Valores (CNBV), local regulator for investment funds.
